

Testimonials

Fely: I learned how to teach the memory verses and had a good overview on how to do the Wordless Book. I also learned how to do the Gospel spotlight. The leaders were very helpful and made all the games so much fun!!!

Good News Club Teacher: One of my 4th grade boys had been acting out because of his parents' divorce. I knew he had potential, so I promised him he could go to Junior Leadership if he behaved in Club for the next month. He came back from the training enthusiastic and ready to serve!

Junior Leadership Training

Training and equipping
youth to serve

Why Junior Leaders?

Your child is growing up and has a desire to serve in any way or capacity. Junior Leadership is an amazing opportunity for them to learn what it means to be a leader and how to serve God. This program will help equip your child to share the Gospel through the Wordless Book, and challenge them in their walk with the Lord. It is part of our mission to train up the next generation for Christ.

What is Junior Leadership?

We train students what it means to be a leader in serving God's Kingdom through Good News Club or Sunday School.

What do they learn?

The Junior Leaders will learn the basics of how to share the Gospel with others, and participate in group teaching of a Bible verse. Returning Junior Leaders will learn how to share the Gospel using object lessons.
