# GUIDING THE WAY

Leading children to the Lord with CEF NorCal, Silicon Valley Serving San Francisco, San Mateo, and Santa Clara Counties

## Why Christian Youth In Action™?

In today's world, people don't trust teens to do important tasks. CYIA gives teens a sense of responsibility and entrusts them with sharing the gospel, so we are looking for teens that know the Lord and who are willing to be servants for God.

CYIA is an intense training that equips and prepares these teens to go out to parks and neighborhoods throughout the summer and share the gospel with children in 5-Day Clubs. In these clubs, teens have the opportunity to lead a child to Christ and experience what God is doing in the hearts of children throughout the Bay Area. They also have opportunities to participate in gospel-oriented Easter and Christmas parties for kids, and in other outreaches throughout the year. Some homeschooled teens even have the flexibility to teach Good News Clubs! Is there a teen near you who can be challenged to serve Jesus this summer? Find out more at [www.cefnorcal.org/CYIA](http://www.cefnorcal.org/CYIA).

## NEWS FROM THE FIELD

### New Teachers Trained!

Thank you so much for your faithful support! I'm thrilled to share that my TCE Level 1 Cohort and I have officially completed our training. Even after 10 years with CEF, I'm reminded there is always more to learn!

It has been so exciting to watch my classmates jump right into action. One invited me to help train members of her church on how to evangelize children. Through this training I'm praying that they will begin to consider the potential start of a Good News Club at the elementary school just a couple of buildings away from their church. Others will soon be putting their training into practice as they serve on a short-term mission trip to Japan this March.

God is moving, and it's such a joy to be part of it. Please pray that our passion for reaching children continues to grow and that God keeps opening new doors!

TABITHA ENG, MINISTRY COORDINATOR

### GNC Spotlight

Our CEF mission is to reach every child, wherever they are located. During Covid, we started an after school Good News Club on Zoom for Monarch Christian Academy. We had about 20 children every week learning about Jesus. One day the principal hopped on to watch the club. Her reaction was, "The teaching is so solid, why aren't all my students attending the Good News Club?" Once Covid ended, we were invited to hold the weekly chapel time and engage every child in the school.

Isaac's parents have always been grateful for Good News Club. His mom once told me that their homeschool is the best elementary program in the city, but they chose to send Isaac to this private school so he could attend GNC. The couple had always wanted to share the gospel with their neighbors, but didn't know how to begin. Last Christmas, Isaac told his neighbor friends about Jesus' birth, and his parents were amazed.

Even though Monarch is a Christian school, not every child comes from a Christian family. The children still need to hear the gospel clearly presented in a way they can understand and respond, so Good News Clubs are just as important in Christian schools as they are in public schools.
